### **VARIGLOG TAKES DELIVERY OF SECOND AEI B737-400SF 11 PALLET FREIGHTER**

MIAMI, FL., --December 14, 2012-- Aeronautical Engineers, Inc. (AEI), is pleased to announce that Varig Logistics has taken delivery of its second AEI B737-400SF 11 Pallet Configuration Passenger to Freighter Conversion. The aircraft, a high gross weight B737-400 (MSN 25595) was built in 1992 and underwent passenger to freighter modification at AEI's Authorized Conversion Center, Flightstar Aircraft Services, Inc. which is located in Jacksonville, Florida. The aircraft is being leased to Varig Logistics by Aviation Capital Group (ACG) which is located in Newport Beach California.

Mr. Robert T. Convey, Vice President of Sales & Marketing for AEI stated that "We are honored that Varig Logistics has selected AEI's 737-400SF 11 Pallet Freighter as the aircraft of choice for their new fleet." He goes onto say that "AEI remains the only 737 classic conversion company certified in Brazil."

The freighter is equipped with an Ancra Main Deck Cargo Loading System capable of carrying:

- Ten Full Height 88"x125"x82" AAA container positions in P1-P10 and a 53"x88"x64"high pallet in P11  
(More full height AAA's than any other B737-400 conversion)

This unique configuration will allow operators to maximize the interior volume of the B737-400SF by the addition of a tenth AAA ULD position.

#### **About AEI**

Formed in 1958, Aeronautical Engineers, Inc. (AEI) is the oldest conversion company in existence today. For more than 50 years AEI has provided advanced engineering solutions to aircraft owners and operators. Today the company is a global leader in passenger to freighter conversions for a wide array of aircraft, helping customers extend the life of the aircraft and increase the value of their asset. AEI has developed over 120 Supplemental Type Certificates (STCs) and 360+ aircraft have been modified with AEI STCs – more than any other conversion provider.

#### **About ACG**

ACG is the owner and manager of a diversified fleet of commercial jet aircraft leased to the world's leading airlines. Its portfolio includes 242 aircraft leased to 99 airlines in 40 countries. ACG also provides asset management and re-marketing services to aircraft investors and institutional clients. ACG was founded in 1989 and is a wholly owned subsidiary of Pacific Life Insurance Company, a Pacific LifeCorp company.
